AS AMENDED IN ASSEMBLY, MAY 12, 1970

WHEREAS, Assembly Bill No. 2345, as amended in Assembly, May 12, 1970, would require the several cities and counties of the State included in a regional planning district ~~as~~ created by the Council ~~on~~ Intergovernmental Relations to establish an Environmental Planning Council in such district; and

WHEREAS, the bill, as amended, would require each Environmental Planning Council as ~~so~~ established, to adopt an environmental quality plan on or before July 1, 1972, ~~or~~ have ~~one~~ imposed upon the said Council by the Council ~~on~~ Intergovernmental Relations; and

WHEREAS, said bill, as amended, defines "financial assistance" to include any ~~loan~~, grant, guarantee, insurance or other form of financial assistance which may be extended by the State or Federal Government to any local agency of the State and would require any application for assistance in any matter included within the scope of any of the mandatory elements of an environmental quality plan to ~~be~~ submitted to the Environmental Quality Planning Council established in the district; and

WHEREAS, said bill would superimpose upon local planning agencies ~~of~~ cities and counties a new agency of the State with authority to make ~~recom-~~ mendations and comments regarding local environment which is best known to local government, thus imposing ~~on~~ local control a form of a super-governmental agency to dictate and decide matters which best can be determined by local governments.
